PRESIDENT'S NOTE

Dear Members,
Publication of Cosmo News Letter from time to time has received well from our Members. Many have appreciated the effort made by us in informing the activities through the Cosmo News. Since the publication of last News Letter in Feb 2011, number of important development activities were carried out and more facilities were offered to our Members. Keeping the tradition this issue highlights the events already taken place and those likely to come in the immediate future. We appreciate the suggestions/comments if any to improve the quality of the Newsletter.
